

Blue Lotus Water Garden

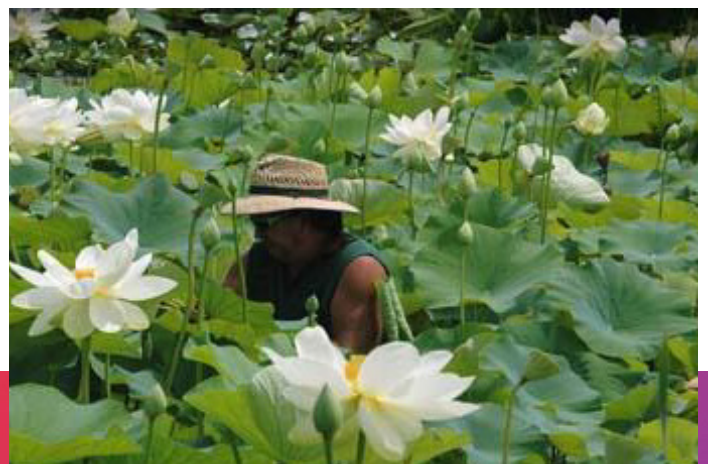

December 2023 - April 2024

Relax as we travel up the highway to Yarra Junction, nestled in the heart of the Upper Yarra Valley.

We'll pause for a delightful morning tea before reaching our main destination, the enchanting Blue Lotus Water Garden. Explore the 14-acre showcase garden, adorned with hundreds of exotic lotus flowers and waterlilies, featuring serene lakes, charming bridges, tranquil ponds, and picturesque islands.

Take leisurely walks along the garden's paths, all with the majestic Mt Donna Buang Ranges as a scenic backdrop. Don't forget to visit the on-site nursery for any garden-related purchases.

Afterwards, savor a delectable two-course lunch at the Upper Yarra RSL. As the day winds down, we'll stop at Rayners Stone Fruit Orchards, spanning 40 acres and home to over 200 varieties of the finest stone fruit. Wander through the orchards, sampling the freshest fruits directly from the trees, and consider purchasing some to take home with you.
